

Curriculum Vitae of
MARKO BASTL Ph.D.
March 2018

EDUCATION

- 2012 - **PhD - Supply Chain Management**, Cranfield School of Management, UK
- 2005 - **MSc - Electronic Business Management**, The University of Warwick, UK
- 1999 - **BSc - Marketing and Management** - Faculty of Economics Ljubljana, Slovenia

ACADEMIC POSITIONS

- **Assistant Professor**, Department of Management, College of Business Administration, Marquette University, USA, 2013 – onwards
- **Senior Research Fellow**, Supply Chain Research Centre, Cranfield School of Management, UK, 2005 – 2013
- **Visiting Professor**, Department of Supply Chain Management, W. P. Carey School of Business, Arizona State University, USA, 2012 (March-June)
- **Visiting Professor**, The University of Warwick, Warwick Manufacturing Group, UK, 2011 – 2012

RESEARCH INTERESTS

- Buyer-supplier relationship dissolution
- Relational dynamic in business triads
- Purchasing and strategic sourcing
- Service based business models
- Information sharing, and visibility in supply chains

RESEARCH AWARDS, HONORS, and RECOGNITIONS

1. **Harold E. Fearon Best Paper Award, 2016 winner:** Karatzas, A, Johnson, M., **Bastl, M.** "Relationship determinants of performance in service triads: a configurational approach", Journal of Supply Chain Management, Vol. 52, No. 3, pp. 28-47
2. **Nominated for 2017 Miles Research Fellow Award:** College of Business Administration, Marquette University
3. **Harold E. Fearon Best Paper Award, 2013 finalist: Bastl, M.,** Johnson, M., Choi T.Y. "Who's Seeking Whom? Coalition Behavior of a Weaker Player in Buyer-Supplier Relationships", Journal of Supply Chain Management, Vol. 49, No. 1, pp. 8-28.
4. **Best paper award**, 18th, Logistics Research Network Conference 2013, Birmingham, United Kingdom: Vorst, J.G.A.J., van der, Bloemhof, J., **Bastl, M.,** Allaoui, H., (2013) "Sustainability Assessment in Food Supply Chain Logistics"
5. **Highly Commended Award Winner 2011:** Emerald Publishing Award for Excellence in the category of Outstanding Papers: **Bastl, M.,** Grubic, T., Templar, S., Harrison, A., Fan, I.S. (2010), "Inter-

organisational costing approaches – the inhibiting factors”, *International Journal of Logistics Management*, Vol. 21, No.1, pp. 65-88.

6. **Highly Commended Award Winner 2011:** Emerald Publishing Award for Excellence in the category of Outstanding Papers: Martinez, V., **Bastl, M.**, Kingston, J., Evans, S. (2010), “Challenges in Transforming Manufacturing Organisations into Product-Service Providers”, *Journal of Manufacturing Technology Management*, Vol. 21, No. 4, pp. 449-469.
7. **Emerging Scholar Award 2010:** I was selected as one of eight emerging scholars in the world in the field of Operations Management, by the American Production and Operations Management Society, Vancouver 2010, Canada.

RESEARCH GRANTS

1. **\$12,000 – Consequences of exit in buyer-supplier relationships – Marquette University** (2018); Aim: To develop new knowledge on managing relationship disengagement in buyer-supplier relationships.
 - a. *Role played in obtaining the funding: Led, won.*
2. **\$6,500 - Flipped Classroom Development Funding – Marquette University** (2017); Aim: To fund the development curriculum and implementation of flipped classroom.
 - a. *Role played in obtaining the funding: Led, won.*
3. **\$600 - Faculty Development Award – Marquette University** (2017); Aim: Fund supporting domestic conference travel related to 2016 Harold E. Fearon Best Paper Award Ceremony at Academy of Management Annual Meeting in Atlanta Georgia, 2017.
 - a. *Role played in obtaining the funding: Led, won.*
4. **£7,850 - Cranfield Developmental Fund** (2011); Aim: Developing international relationships and research collaboration in the field of operations and supply chain management with Arizona State University. Cranfield School of Management development fund.
 - a. *Role played in obtaining the funding: Led, won*
5. **£4,300 - Cranfield International Fellowship** (2011); Aim: To advance the quality and impact of Cranfield research through collaboration with Prof Thomas Choi from Arizona State University, Cranfield School of Management Seedcorn funding.
 - a. *Role played in obtaining the funding: Led, won.*
6. **£463,000 - Service Networks, research project funded by UK's Innovative Manufacturing Research Centre -IMRC** (2008-2011); Aim: researching network design of, and relationship management in, buyer-supplier-customer networks for provision of integrated solutions (i.e. bundles of products and services).
 - a. *Role played in obtaining the funding: Co-wrote the proposal, won*
7. **£15,000 - Insights in Relationship Dynamics between GKN Aerospace UK and Airbus** (2009-2010); Aim: To explore dynamics and perceptual gaps in a relationship between the companies of GKN and Airbus.
 - a. *Role played in obtaining the funding: Co-wrote the proposal, won*

RESEARCH MANAGEMENT AND LEADERSHIP

1. **Buyer-supplier relationships exit strategies** (2015 – onwards), Collaborative research between Marquette University, USA, Cranfield School of Management, UK and Eli Broad School of Business, Michigan State University, USA
 - a. *Role: Thought leader and co-investigator*
2. **Strategic Responses to Power dominance in buyer-supplier relationships: a weaker actor perspective** (2011 – 2013) Collaborative research between Marquette University and Cranfield School of Management, UK:
 - a. *Role: Thought leader and co-investigator*
3. **SCALE - Step Change in Agri-food Logistics Ecosystems** (2012 – 2013), European Union funded project; Aim: To develop a network based collaboration model applicable in the context of European food supply chains.
 - a. *Role: Lead researcher and project manager*
 - b. *Value of the project: £6,000,000*
4. **Service Networks** (2008-2011), research project funded by UK's Innovative Manufacturing Research Centre (IMRC); Aim: Researching network design of, and relationship management in, buyer-supplier-customer networks for provision of integrated solutions (i.e. bundles of products and services).
 - a. *Role: Lead researcher and project manager*
 - b. *Value of the project: £463,000*
5. **Value-in-Use for Product-Service Systems** (2008-2011), research project funded by UK's Innovative Manufacturing Research Centre (IMRC); Aim: To determine the dimensions of perceived value obtained by a customer using integrated solution changes over time.
 - a. *Role: Co-investigator*
 - b. *Value of the project: £396,000*
6. **Understating Design, Build and Through-Life Supply Chain Integration** (2009), funded by: BAE Systems; Aim: To explore characteristics and promising practices of an intra- and inter-organizational integration for products with long-life cycles.
 - a. *Role: Co-investigator*
 - b. *Value of the project: £45,000*
7. **Exploring Product-Service Systems** (2007-2008), research project funded by UK's Innovative Manufacturing Research Centre (IMRC); Aim: This was a pan-university, multi-academic in-depth case study into the supply chain of an integrated solutions provider. The aim was to provide a solid grounding for the future IMRC research program at Cranfield. There have been a number of papers published from this work which presents a compelling case for how an inter-disciplinary pan-university project works.
 - a. *Role: Co-investigator*
 - b. *Value of the project: £431,000*
8. **ARIEL - Accelerating Relationships through Information Exchange in Logistics** (2005-2008), research project funded by UK's Innovative Manufacturing Research Centre (IMRC); Aim: To develop an approach for time and cost mapping of supply chain processes in an inter-organizational context.
 - a. *Role: Lead researcher and project manager*
 - b. *Value of the project: £320,000*
