Master of Business Administration

CIIM MBA is unique, innovative, global by design, world-class in quality and affordable in cost. CIIM MBA is the practical, can-do management qualification for the post-crisis new world, embodying more than 30 years' experience and over 1,200 graduates.

The curriculum is state of the art and thoroughly international with a laser-sharp focus on quality, creativity and relevance.

CIIM MBA does more than develop managers, business professionals and entrepreneurs with practical hard and soft skills and a can-do attitude; it is a set of life-changing and opportunity-creating experiences and connections. CIIM MBA is accredited nationally by DIPAE/ KYSATS and internationally by EFMD/EPAS.

CIIM MBA is designed for

Entrepreneurs who wish to acquire the additional skills they need to start a new business or manage a growing business

Professionals of diverse educational backgrounds who wish to focus on a future career in management

Managers and specialists who wish to change career direction

Managers of high potential who require the additional capabilities provided by an MBA to undertake increased responsibility within their companies

Why CIIM MBA?

TRANSFORMATIVE

Turn your future potential into real world capability. The learning-centric approach helps you develop the attitudes, professionalism and ethics to make a real, measureable difference. CIIM MBA transforms intelligent and ambitious individuals into visionary, ethical and socially responsible leaders who create shared value for themselves, their organization, and the society.

PRACTICAL

Learn practical management by acquiring problem-solving, decision-making and opportunity-identifying skills with immediate feedback from experienced professionals. Learn how to find fast and actionable solutions while you create value through innovation and creative thinking. Learn how to manage and draw the best performance from crossfunctional teams like those you encounter in the real world and how to convert mistakes into learning opportunities.

INTERNATIONAL

Develop broader horizons from the international faculty and multiple international accreditations. At CIIM you will be taught by renowned professors from leading international business schools in an interactive and stimulating learning environment.

FLEXIBLE

The rolling admission dates, modular structure and modern learning techniques enable you to create the MBA you need for your career development while balancing the needs of your home life, career and study. Courses are taught during evenings and weekends leaving weekdays free for work. You can choose to complete the programme at a rapid pace in twelve months or at a more relaxed pace taking up to a maximum of three years.
